MANUFACTURING CAPABILITIES

- ▲ Wire
- ▲ Bar
- ▲ Coatings
- ▲ Cold drawing
- ▲ Heat Treating
- ▲ Shot blasting
- ▲ Descaling
- ▲ Pickling
- ▲ Peeling
- ▲ Shaving
- ▲ Straightening
- ▲ Grinding
- ▲ Eddy Current
- ▲ Ultrasonic Testing
- ▲ Testing Lab

Stainless Steels: • A-286 • FV535 • JETHETE • 13-8 • 302HQ • 316L
• 321 • 347 • 15-5 • 17-4 • MAR250

Titanium: • TA6V

Alloy Steels: • 35NC6 • 30/35NCD16 • 15CDV6 • 35CD4
• 40NCD7/4340 • 40NCD2/8740

Superalloys: • Inconel® 718 • Inconel® X750 • Haynes® 188 • L605 • MP159
• MP35N • Nimonic® 75 • Nimonic® 80A • Nimonic® 90 • WASPALOY®

Wire

DIAMETER RANGE:

0.075" - 0.787"

1.90mm - 20.00mm

Bars

DIAMETER RANGE:

0.177" - 1.181"

4.50mm - 30.00mm

OUR MANUFACTURING NETWORK WITH INDUSTRY LEADING LEAD TIMES

5 RELIABLE COMPANIES **7** STRATEGIC FACILITIES

SIERRA ALLOYS

📞 626-969-6711

Your single source premier manufacturer for titanium and alloy bar & plate products.

⚙️ 3 Open Die Presses and 1 Narrow Plate Rolling Mill.

🔥 Heat Treatment, Grinding & Extensive Cutting.

TSI TITANIUM

📞 724-694-2716

Quality titanium bar solutions for aerospace, medical, and commercial applications.

⚙️ 1 Open Die Press and 1 Hand Mill for Round Bar.

🔥 Heat Treatment, Bar Peeling, Polishing, Cutting, and Ultrasonic Inspection.

BROWN EUROPE

SIERRA SHEET & PLATE

📞 800-423-1897

Providing high-quality rolled products by offering custom sizes in smaller lot sizes to satisfy customer requirements.

⚙️ Fully Integrated Rolling Mill.

🔥 Roll, shear, condition, water-jet, cut, heat treat, polish, pickle/chem-mill and finish.

BROWN PACIFIC

📞 562-921-3471

Over 50 years of aerospace wire and bar manufacturing, with dedicated lines and full in-house processing under one roof.

🔥 Drawing, shaving, chemical milling, copper plating, heat treating and annealing, descaling, pickling, and bar straightening & grinding on site.

MANUFACTURING CAPABILITIES

PRODUCTS

- | | | |
|-------------------------|------------------------------|--------------------|
| ▲ Forged block | ▲ Hot-rolled rectangular bar | ▲ Cold drawing |
| ▲ Forged flat & rec bar | ▲ Hot-rolled round bar | ▲ Heat treating |
| ▲ Forged round bar | ▲ Hot-rolled titanium plate | ▲ Straightening |
| ▲ Bar | ▲ Hot-rolled titanium sheet | ▲ Chemical milling |
| ▲ Wire | ▲ Ultrasonic inspection | |

SERVICES
